IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In Re Application No.: 86/783,066  
For the mark: JUICYGOLD  
Published on: April 12, 2016

Custom Orchards, Inc., a Washington  
corporation,

Opposer,

v.

New England Apple Association, a  
Massachusetts unincorporated association,

Applicant.

Opposition No.

**NOTICE OF OPPOSITION**

Opposer, Custom Orchards, Inc., a corporation organized and existing under the laws of Washington, having its principal place of business at P.O. Box 259, Wenatchee, Washington 98807 (hereinafter referred to as “Opposer”), believes it will be damaged by registration of the mark shown in Application Serial No. 86/783,066 (JUICYGOLD) filed by New England Apple Association, believed to be a Massachusetts unincorporated association (hereinafter referred to as “Applicant”), having its principal place of business at P.O. Box 41, Hatfield, Massachusetts 01038, and therefore opposes the same.

A further description of Application Serial No. 86/783,066 is as follows:

**Mark:** JUICYGOLD

**Serial Number:** 86/783,066

**Filed:** October 9, 2015

**Goods/Services:** *Fresh apples*, in Class 031.

**First Use Claimed:** October 1, 2015

Attached hereto as Exhibit A, and incorporated herein by reference, is a copy of the Trademark Status & Document Retrieval (TSDR) printout for Application Serial No. 86/783,066.

As grounds for this Opposition, it is alleged that:

1. Opposer, Custom Orchards, Inc., is a leading global producer of apples based in Wenatchee, Washington.
2. Since at least as early as 2014, prior to the date Applicant filed the subject Application No. 86/783,066, Opposer has been and is now using the marks JUICI (& Design) and JUICI DELITE! (collectively the “JUICI Marks”), in connection with *fresh apples*.
3. Opposer distributes its products nation-wide and two of its largest customers for fresh apples are in New England. During the first year of production, Opposer distributed fresh apples to at least five states in the U.S.; Opposer anticipates that within the next five (5) years it will expand to grow and distribute hundreds of thousands of boxes of apples for market under the JUICI Marks.
4. Opposer is the owner of the following U.S. trademark registrations for use in connection with *fresh apples*:

JUICI DELITE! U.S. Registration No. 4,748,891 (first use: at least as early as November 1, 2014);

JUICI (& Design), U.S. Registration No. 4,798,837 (first use: at least as early as December 19, 2014);

Attached hereto as Exhibit B, and incorporated herein by reference, are copies of the Trademark Status & Document Retrieval (TSDR) printouts for Opposer’s above-referenced registrations for the JUICI Marks.

5. Opposer is also the owner of, and relies upon, its common law trademark rights for the JUICI Marks in the United States, used in association with *fresh apples*, since at least as early as 2014.

6. Opposer's use of its JUICI Marks has been valid and continuous in the United States since at least as early as 2014, and said marks have not been abandoned.

7. Opposer's JUICI Marks, by virtue of their substantial and continuous use since 2014 have acquired great value as an identification of Opposer's goods, and act to distinguish those goods from the goods and services of others.

8. Opposer's JUICI Marks are symbolic of the goodwill and consumer recognition built up by Opposer through substantial amounts of time and effort in advertising and promotion.

9. The dates of first use of Opposer's JUICI Marks in U.S. interstate commerce are prior to the filing date (October 9, 2015) of the subject Application No. 86/783,066, filed under 15 U.S.C. § 1051(b).

10. In view of the similarities in the respective marks and the goods of the respective parties, it is alleged that Applicant's JUICYGOLD mark so resembles Opposer's JUICI Marks as to be likely to cause confusion or to cause mistake or to deceive, all in violation of Lanham Act § 2(d), 15 U.S.C. § 1052(d).

11. Opposer also alleges as grounds for this opposition Lanham Act § 2(a), 15 U.S.C. § 1052(a), namely, that Applicant's JUICYGOLD mark as applied to goods other than Opposer's goods, comprises deceptive matter because it falsely suggests a connection with Opposer, a prior user.

12. If Applicant were granted the registration of its JUICYGOLD mark, which is the subject of Application Serial No. 86/783,066, it would thereby obtain at least a *prima facie*

exclusive right to the use of its mark in the United States. Such registration would be a source of damage and injury to Opposer.

WHEREFORE, Opposer prays that Application Serial No. 86/783,066 be rejected and stricken, that no registration be issued thereon to Applicant, and that this Opposition be sustained in favor of Opposer.

The Commissioner is hereby authorized to charge any and all fees under 37 C.F.R. §2.6(a), which may be required by the filing of this Notice of Opposition, or to credit any over payment, to Deposit Account No. 500442 for Stokes Lawrence, P.S.

DATED this 10th day of August, 2016.

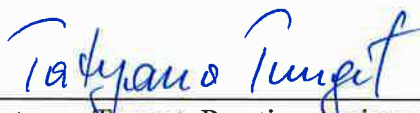

Respectfully submitted,

By: 

Leslie C. Ruiter (WSBA #28090)
